

Geography at CSG

When you do geography with us, we want you to...

- ...feel that your lessons are **vivid, real, relevant and current**, that you see the connections between what you are studying in class and the important factors changing their world; we're going to take you on trips to make things even more fun
- ...really **enjoy** yourself in lessons; we want you to look forward to your lessons
- ...feel that it is good to ask **questions**, and allow your teachers to help you **learn independently**
- ...appreciate the **diversity and breadth** of geography and have opportunities to develop your own interests
- ...feel stretched and to **succeed** at the highest level you can

Year 7 trip to Docklands

Year 8 trip to River Bulbourne

Year 9 trip to Kings Cross

GCSE trip to Brecon

Things you'll learn with us in geography

Can a population grow too fast?

How were India and Africa affected by colonisation?

What can we do about climate change?

What's the best thing to do in an earthquake?

Why does it rain?

Why do rivers flood?

Why are cactuses wrinkly?

How do you read a map?

Does inequality matter?

Why do houses fall in the sea?
