15 December 2021

Dear Parents/Carers,

RE: Merry Christmas

I am writing first and foremost to wish you a very lovely Christmas break from everyone at Camden School for Girls. This has been a long and a hard term and I sincerely hope that you are able to rest and relax over the festive season.

I am also writing to provide you with some information about the end of this term and the start of next term.

Year 7 Concert on Thursday 16 December

It is with a heavy heart that I write to tell you that the Year 7 concert has been moved online this year. I appreciate that this is no substitute for the in-person experience although this is a necessary measure given the turn the pandemic has taken. I hope you are still able to enjoy the recorded performances.

End of term

A reminder that it is the last day of term for Main School students on Friday 17 December and there will be an early finish at 11.40am. Sixth form students will have their last day on Thursday.

Testing

Please continue with the twice weekly testing using LFTs during the Christmas period. When we return to school in January, we will have two testing days on 4 and 5 January. Please see attached a slightly amended schedule. Please note that if your child has had COVID in the 90-day period prior to the testing days, ***they do not need to come in for the testing at the start of term.***

Normal lessons will resume on Thursday 6 January 2022.

I would like to thank you for your continued hard work in supporting your children and supporting the school. It has been an absolute pleasure meeting so many of you and I am looking forward to seeing you much more in the New Year.

Kind regards

Kateryna Law
Headteacher

Timetable for asymptomatic testing in January 2022

- Students should attend only for their test and return straight home.
- Please arrive 5 minutes before the scheduled time and report to reception.
- As soon as the test is carried out, please could students make their way off site.
- Please do not attend if you have had COVID in the 90-day period before the testing day.
